Module Description

The purpose of the Module is to get students acquainted and familiarized with management of change, school effectiveness and school improvement. Students will study the nature of change in modern organisations, the necessity of change and the factors which affect it, the design of change, the individual and change, the school as an organisation and change, change at the educational system level, leadership and change, as well as some innovative programmes in education and international studies. At the same time, they will study the characteristics of the effective school and the effective teacher and the creation of a climate for change, the theoretical models of school effectiveness, the measurement of school effectiveness, as well as the research for the improvement of school effectiveness. Finally, they will examine various research programmes of school effectiveness conducted in Cyprus and internationally.

Pre-requisite Modules	
ELP511	<i>Introduction to organization and management of education</i>

Grading Scheme			
Assessment Method	Percentage on Final Grade	Workload	
		Hours	ECTS
Weekly Interactive Activities	10%	37	1.5
Assignment 1	20%	90	3
Assignment 2	20%	90	3
Final/Repeat Examination	50%	3	7.5
Total	100%	220	15

Grading Rules and Assessment methods

- Students are evaluated with 9, if they earn 90% of the possible grade, i.e. $90\% \times 10 = 9$, etc.
- Passing rate
 - 50% of the Assignments
 - 50% of the Interactive Activities
 - Students are allowed to participate in the final exam of a Module if they have overall earned the minimum grade ($\geq 50\%$) in both their Assignments and Interactive Activities
 - 50% of the Final exam

If a student earns a grade with decimal points, then it is rounded to the nearest half unit.
